

MASHPI LODGE

Mashpi Lodge, an oasis of peace, of leisurely walks in the cloud and tropical forests that are part of the Metropolitan District of Quito, so close and at the same time so far from the city. Discover now this other face, less known, an explosion of biodiversity, lush vegetation and fauna yet to be discovered. Quito, a city of two hemispheres: culture and nature. Explore the two.

LOCATION

Mashpi Lodge is located in the heart of a 1,300-hectare protected nature reserve, which shelters both the cloud forest and the tropical forest of the prodigious Chocó, one of the most important biodiversity points in the world.
