

PIKAIA LODGE

The PIKAIA LODGE concept is designed for the environmentally conscious, physically active and adventurous traveler, who seeks close contact with the unique natural wonders of the Galapagos, with the highest level of comfort and services that can be provided within the limitations of such a remote, restricted and eco-sensitive location.

LOCATION

PIKAIA LODGE is on Santa Cruz Island in the center of the Galapagos archipelago. These islands belong to the republic of Ecuador.

The Galapagos and its surrounding marine reserve are Natural World Heritage sites of UNESCO. The marine reserve is one of the Seven Underwater Wonders of the world and the second largest protected marine reserve, after the Australian Great Barrier Reef.

SERVICES & FACILITIES

- Evolution Restaurant: serves a full American-style breakfast buffet, a specific menu for lunch, with a selected variety of dishes to choose from and a sophisticated daily menu for dinner, inspired by a unique fusion of the Peruvian and Ecuadorian cuisine.
- Lobby Lounge and DNA Bar: After a hard day of explorations you can chill out in splendid comfort, framed by a stupendous view of the Galapagos natural setting, bathed in the hues of the setting Equatorial sun.
- Infinity pool: our pool is strategically placed to receive sunlight, shade-free the entire day to maintain a pleasant water temperature.
- Homo Sapiens Explorer Lounge: it is equipped with a large 3D HD-TV screen, a special selection of DVDs, 3D goggles, wireless microphones and amplification system.
- Library dedicated to the topics of science, evolution and the Galapagos Islands.
- Sumaq Spa: Our wellness center is an oasis of calm, perched on the rims of the craters at the eastern end of the main building with dramatic views of the Pacific Ocean, interrupted only by a few islands in its vastness.
- Gym equipped with a modern treadmill, elliptical trainer and spinning bike
- Fleet includes a yacht, a boat and a cruise.
