

# ALYA/ECOGALAXY CATAMARANS

Sailing on the Alya or EcoGalaxy catamarans to experience the beauty of the Galapagos Islands will be one of the best experiences of your life. Nature and comfort come together to make possible amazing access to the best of the archipelago. These catamarans were specially designed and built to navigate in the Galapagos using cutting-edge technology, integrating sustainability, and respecting the environment in every operation. In essence, this is the new concept of luxury travel for small group expeditions.

Satisfaction is secured by the nine crew members prepared to guide and pamper the 16 passengers on board. You will discover the magnificence of the Galapagos in style, with delicious gourmet meals prepared each day, award-winning service on land and sea, and safe and exclusive arrangements from beginning to end.

Choose from unique 5-day or 6-day itineraries and to explore one of the most biodiverse places on the planet. Each island hosts different flora and fauna including giant tortoises, land and marine iguanas, penguins, sea turtles, manta rays, sharks, cormorants, red and blue-footed boobies, among others. Galapagos offers a variety of opportunities to enjoy activities like snorkeling in clear waters, sunbathing on pristine beaches, kayaking, and hiking. To fully appreciate the Galapagos, you will have the support of a specialized guide that will provide key information for the best encounters with wildlife and to capture picture-perfect views.

Prepare to follow Darwin's footsteps and discover a paradise that you will remember for the rest of your life. Galapagos, an unmatched destination!
