

BAÑOS – ADVENTURE AND RAFTING

Baños de Agua Santa is a city known for its natural beauty and adventure sports, located between the central Andes and the Amazon.

DAY 1 Quito / Baños

We leave Quito early in the morning and head south along the avenue of volcanoes. On route, we will observe the Cotopaxi, Ilinizas, Corazon, and Tungurahua volcanoes. Approximately 30 minutes from the city of Baños is the Pailon del Diablo (Devil's Cauldron), considered one of the most popular attractions in the area. You will start with an ecological hike through the park by crossing a hanging bridge and going through a natural crevice to observe the Pailon del Diablo waterfall. After the visit, we will return to Baños for lunch, and in the afternoon, we will explore this beautiful city. Dinner and overnight.

DAY 2 Rafting

We will depart for the Pastaza River after breakfast. On the way, we will observe several waterfalls and the incredible scenery of the Sangay and Llanganates National Parks. Upon arrival to the Rio Blanco sector, you will receive all the personal equipment for this activity. A specialized guide will provide a technical explanation of what to expect and safety tips to consider for the ride downriver. Once the group is ready, you will descend along the waterfalls for close to 2 hours. When you complete the ride down the canyon, we will be waiting for you with transportation to take you to lunch and return to Quito.
