

GUAYAQUIL CITY TOUR

This port city is a place full of a unique charm that captivates national and international visitors. Throughout its streets, parks, and riverwalks, you can find a unique blend of traditions, customs, and cultures.

Guayaquil, the largest city in Ecuador is the capital of the Guayas province and offers visitors a wide range of sites and opportunities. Its shopping centers, parks, and museums are the most visited by travelers of the city known as the "Pearl of the Pacific."

A city of art, music, gastronomy, friendly people, and stunning sunsets; Guayaquil is a destination that invites visitors to discover its treasures, customs, and port culture. It is the land of important writers, that produced the literary "Guayaquil Group", and also the birthplace of pasillo singer Julio Jaramillo, recognized as the "Nightingale of America."

Our visit includes the Cathedral, Seminario Park, Governors' Palace, Cerro Santa Ana, Barrio las Peñas, Simón Bolívar Boardwalk, Samanes Park, the Historic Park, among others.
