

DISCOVER THE COAST AT LA DANESA

The historic family-owned Hacienda La Danesa is on the coast of Ecuador, one hour away from Guayaquil. The 1,200-acre estate is surrounded by beautiful fields, forests, and rivers, and is also a traditional dairy farm with cacao and teak plantations.

During your stay, we recommend exploring the property on bikes or hikes, river tubing, and enjoy the famous chocolate tasting workshops. At La Danesa culinary experiences go from the simple to the sublime. All products are fresh, organic, and can be catered to individual needs. This amazing getaway is the perfect combination of privacy and splendor, fun and adventure, sustainable living, and authentic experiences, ALL IN ONE!
