

MEETINGS, INCENTIVES & CONFERENCES

Organization is our specialty, planning is the key, and execution is the ultimate goal.

Mytoureec will provide all the necessary support for you to accomplish your meeting objectives, execute successful capacity-building programs, and organize spectacular networking events for clients, participants, and special visitors.

We coordinate hotel accommodations, personalized gifts, transportation, artistic presentations, bilingual guides, MC's, translation services, certificates, and event reports.

Our goal is the wellbeing of your attendees. We focus on selecting the best venues to support your agenda, coordinating with audio/visual support services, preparing meeting spaces, as well as arranging safety and security requirements.

In addition to your meeting requests, we also offer pre and post tours, culinary experiences, and cultural activities for visitors to fully enjoy their stay in Ecuador.
