

SACHA LODGE LUXURY, NATURE, AND AMAZON MAGIC

A 30-minute flight over the Andes mountains leads you to the bustling town of El Coca in the Amazon Basin. You will have a light lunch in Sacha's private house and then it's off to the docks where you will board Sacha's private canoes for the 2-hour journey downriver to the main Lodge. The adventure will begin with a 36-meter-high canopy walk for a "birds-eye view" of the majestic tropical rainforest. You could also try a hike along the Napo River where you could spot the elusive "titi monkey", or maybe a slow canoe ride through a natural mangrove, which is home to anacondas, caimans, and capybaras. Look up and you just might catch a glimpse of capuchin or squirrel monkeys playfully jumping through the trees. As the sun sets, you can head back to the lodge for a refreshing dip in the lake, or a nice relaxing nap in the hammock on your private balcony. All of these incredible experiences and many others wait for you at Sacha Lodge. Luxurious comfort, outstanding service, and harmony with nature all come together in one place; its amazon magic that you will never forget.
